

KOLBE COACHING REPORTS

Set Your Employees Up For Success

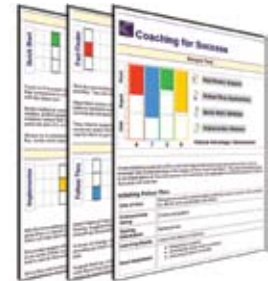

*The Coaching for Success Report is the perfect complement to the Kolbe A Index, an online assessment that identifies and quantifies an individual's **modus operandi** (MO), or natural way of taking purposeful action. Understanding a person's MO is the first step toward improving individual performance.*

*"The Kolbe analysis of our employees has brought an added dimension to our team. Now we are able to correctly place employees and fully utilize their inherent talents."
– Nancy Dehm, President/COO, The Flanders Group*

The Kolbe Coaching for Success Report is a guide that details the best ways to manage and motivate someone by tapping into his or her unique instinctive talents. Designed especially for managers and supervisors, each 4-page report is customized according to a specific person's Kolbe A™ Index result and offers individualized strategies for improving performance. This invaluable tool will help you set the right expectations and tailor work assignments to match a person's:

- Communication style
- Learning needs
- Use of time
- Goal attainment method

The Coaching for Success Report may be purchased individually or in volume, and is available to any organization with a Kolbe WAREwithal® account.
