

# IMPROVE PRACTICE MANAGEMENT WITH THE KOLBE SYSTEM™

## **Kolbe Indexes**

Online assessments that identify and explain instinctive strengths.

## **RightFit™**

Selection software that helps you pick the best candidate for a specific job.

## **Coaching Reports**

Customized strategies for managing individual talents.

## **Consulting**

In-person, web-delivered or telephone sessions with a Kolbe Master Consultant™ to improve organizational effectiveness.

The **Kolbe System** helps you get the most – and the best – out of the people you rely on to run your business. By analyzing the instinctive talents in your company, Kolbe's revolutionary online software shows you how to put the right people in the right jobs and manage each individual successfully. Backed by over 30 years of validated scientific research, Kolbe's proven solutions have helped thousands of large and small companies:

- Improve hiring
- Increase retention
- Build team synergy
- Raise productivity

---

"Kolbe's work is a manager's dream: a revolutionary method of quantifying and utilizing the innate instincts of every other member of the team."

– *Stephanie W. Kanwit, Esq.,  
VP, Law and Regulatory Affairs,  
Aetna Life & Casualty*

"By avoiding the consequences of bad hires and the hassles of employee politics, Kolbe helps small business owners focus on the things that got them excited about having a business in the first place."

– *Dan Sullivan,  
President and Founder, The Strategic Coach*
